

# PILLING PARISH COUNCIL

## Pilling

Pilling is a thriving village and civil parish in Lancashire with an electorate of just over 1900 adults. Pilling is served by Wyre Council and Lancashire County Council with which the Parish works to ensure services are delivered to local residents.

## The Council

Pilling Parish Council has 10 councillors and employs a part time Clerk and a Parish Lengthsman. The Parish Council has an office base in Pilling Village, where the clerk will be expected to work Mondays and Wednesdays but is willing to discuss a more flexible working arrangement with the successful candidate.

The purpose of the parish council is to maintain and improve the quality of life for Pilling residents by keeping the village neat and tidy, carrying out environmental improvements and providing some services and facilities. More information can be found on the parish council's website [www.pillingparish.org.uk](http://www.pillingparish.org.uk)

## Pilling Parish Council Meetings

The Parish Council meets on the second Wednesday of the month. There is a Finance Committee, Communications Committee and Personnel Committee which meets as required and Working Groups may be established for particular projects.

## Training and Equipment

Pilling Parish Council will provide all necessary training required to carry out the role both on appointment and on an ongoing basis. Given the cost of some training the Council uses a Training Agreement so that it can recoup some of the cost of the training if the postholder leaves within the first two years after the training cost has been incurred. The Council will also provide all the equipment required to do the job.

## Probationary Period

The post will be subject to a probationary period of 6 months.
