4871. SPORT ENGLAND

Pilling Community Hall is to receive funding for the new hall from Sport England, BUT Sport England legislation demands that grants will only be paid to a public body i.e. Pilling Parish Council.

The committee is ready to draw down part of this grant to pay for the present building.

Claim forms require the clerk and a member of the committee to sign claim forms.

This claim is for £60,000: the grant will be paid into the Parish Council's bank account; it is not money available to the Parish Council, but will be transferred to Pilling Community Hall.

There is no impact on the Parish Council as it acts as the banker in this case.

No further business was conducted at this time
